Under the chairmanship of Dr A S Rao garu, the committee met on 25/06/2015 and decided to be available to all Faculty & Students in old T & P Room (P-002) between 3PM to 4PM on all working days, to discuss the issues related to Entrepreneurship Development ,Industry & Institute Interaction, as well as guide them in promoting their innovative ideas for possible incubation.

2) Members of Industry Institute Interaction and Entrepreneurship Development Committee met with Dr.D.N.Rao Garu, Directors and Principal on 26-06-2015 at Board Room to discuss about different ideas with respect to the Possibilities of their Incubation. Dr.D.N.Rao Garu directed the committee to work towards centre for excellence on Road Safety and to establish Smart Water Grid Technology Education & Incubation Centre at our institution in consultation with the government of Telangana state. In addition to above the following points also discussed in the meeting

- i) One team should visit to Eruvaka Technologies Pvt Ltd (IOT in Aquaculture), Vijayawada (Website:www.eruvaka.com **(Sreeram Raavi is the Founder, Cell: 9247307318)**)
- ii) Team should visit TS Water Grid and one working system has to be developed in the institute within 3 months
- iii) To develop a sensor based Water identification system to allow cars to enter on to the roads and pits during rain.
- iv) To develop a project in such a way that to provide pure drinking water facility at all places in place of plastic water bottles in order to reduce the problem of accumulation of plastic waste.
- v) To make ample provision for trapping rain water in the form of soaking pits for recharging ground water levels.
