

Dear Sir/Madam,

I, K. Madhava Reddy of EEE, 4th year,(06071A0244) VNRVJIET, was diagnosed with ALL (Acute Lymphoblastic Leukemia) - a type of Blood Cancer- in November, 2007. I have been undergoing treatment for the above said disease since then under the supervision of Dr. SVSS Prasad, Apollo Hospitals . The treatment was going fine till Oct. 2009 when the doctor noticed that the disease has relapsed. The doctor advised that the only way I can sustain is by undergoing a BMT (Bone Marrow Transplantation). I was accordingly prepared for this BMT by giving high dosage of chemotherapy. Now, the reports have showed remission and the doctor has referred to Apollo Speciality Hospital, Chennai as this facility is not available at Hyderabad. I have consulted Dr. Jose M Easow, BMT specialist who has conducted the required investigations and advised for an immediate admission and transplantation. The donor for transplantation is my Sister whose marrow has matched with my marrow. The estimate given by Apollo Chennai (attached) is for Rs.15 lakhs.Other incidental expenditure will be 3 to 5 lakhs. Both my parents have expired before I was 8 years old, since then I was dependent on my uncle who has already spent approx. Rs.10 lakhs towards my treatment. But now since the amount is huge, I request you to lend out a helping hand and support my uncle. Any kind of help whatsoever will be deeply appreciated. Your help and support will give me a chance to lead a normal life once again. There is nothing called a small help when the heart giving it is big. All amounts shall be accepted with gratitude.

All payments can be made by cheque or DD in favour of “K. Madhava Reddy” or can be remitted into
